## **DETAILED ACTION**

### ***Information Disclosure Statement***

1. The information disclosure statement entered March 29, 2005 fails to comply with the provisions of 37 CFR 1.97, 1.98 and MPEP § 609 because it includes "Korean Office Action dated January 29, 2005" that is not in the English language, without a statement of relevance or English translation.

Furthermore, applicant indicates that an English abstract of KR 2001-0068729 is "relied upon for a statement of relevance for that reference," by the MPEP 609 statement that Submission of an English language abstract of a reference *may* fulfill the requirement for a concise explanation. In this case, however, applicant submits a foreign Office Action that is not in English, without any explanation of relevance.

Given the circumstances, applicant should submit an English translation of KR 2001-0068729 (e.g. those portions that caused it to be listed), or a statement of relevance.

Applicant is particularly requested to provide a statement of relevance or English translation of "Korean Office Action dated January 29, 2005" on page 2 of 2 of the IDS entered March 29, 2005.

The Ids has been placed in the application file, but the information referred to therein has not been considered as to the merits.

Art Unit: 2826

Applicant is advised that the date of any re-submission of any item of information contained in this information disclosure statement or the submission of any missing element(s) will be the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement, including all certification requirements for statements under 37 CFR 1.97(e). See MPEP § 609 ¶ C(1).
